### Lawn Party

On last Friday night Miss Lona Meadows gave a lawn party in honor of her neice, Miss Earline Meadows of Nashville. On account of the light rain only a short while was spent on the lawn, and all had to go upon the porch and into the house where several old time games were played and enjoyed by all. About ten o'clock refreshments were served on the large porch. Later several songs were sung, and at a late hour when starting for home the guests declared they had had one of the best times of their lives.

Beginning July 1 the Tennessee Central railroad will charge three cents a mile for passenger, an order having been made to that effect by the state railroad commissioners.

## Heed the Warning

Many Cookeville People Have Done So

When the kidneys are sick they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Sick kidneys expel a dark, ill-smelling urine, full of "brick-dust" sediment and painful in passage. Sluggish kidneys cause a dull pain in the small of the back, headaches, dizzy spells, tired, languid feelings and frequent rheumatic twinges.

Doan's Kidney Pills are for the kidneys only; they help sick kidneys, and rid the blood of urine poison. If you suffer from any of the above symptoms you can use no better remedy.

Cookeville people recommend Doan's Kidney Pills.

W. L. Isbell, of Cookeville, Tenn., says: "I had attacks of backache and my kidneys were weak and inactive. The use of Doan's Kidney Pills gave me relief in a short time. I recommend this remedy highly, for I know what it will do."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
